Student Council  
C/O Mrs. Moana Johnson  
A'Takamul International School, Kuwait

Dear Student Council,

This letter is to inform you that Friends of the Orphans has received a wire transfer of \$4667.47 from A'Takamul International School for earthquake relief in Haiti. The funds will help support desperately needed repair and relief efforts at the Nos Petit Frères et Soeurs (NPFS, French for "Our Little Brothers and Sisters") facilities supported by Friends of the Orphans. We are so thankful to you and your fellow students who helped with the fundraising effort. It is especially gratifying to know that there are children in Kuwait who are willing to help boys and girls in Haiti.

Friends of the Orphans supporters like you have helped in Haiti since 1987. Our work together has improved the lives of thousands of orphaned and disadvantaged children. We currently care for more than 350 children at St. Helen orphanage in Kenscoff. We also serve hundreds of additional children in surrounding areas — providing clothing, food and educational opportunities to help break the cycle of poverty. Our pediatric hospital and other outreach services assist more than 30,000 Haitian adults and children each year.

The support of A'Takamul International School makes a significant impact at this critical time. On behalf of Friends of the Orphans, NPFS Haiti, and the children we serve, thank you again.

Sincerely,

Jennifer Rayno  
Director of the Haiti Initiative
